Let's add new inventory

follow steps

Add Inventory

1 Choose the location of the inventory

TrackingNumber: *optional

Location:

OrderDate:
(yyyy/mm/dd hh:mm:ss)

AdjustOnDate:
(yyyy/mm/dd hh:mm:ss)

2 Select the part number

Additional Notes:

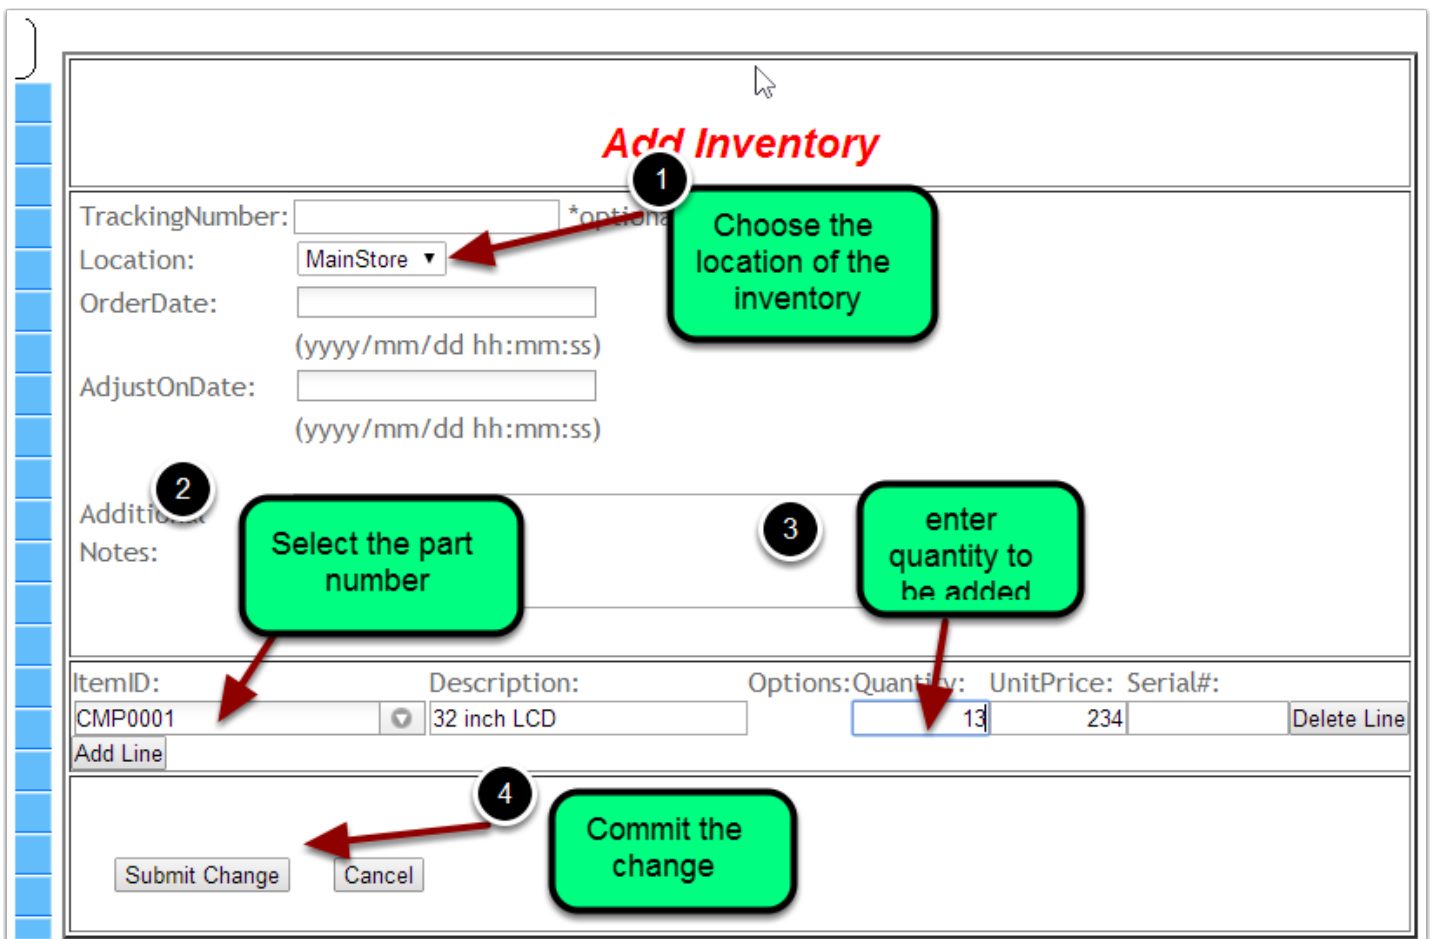

3 enter quantity to be added

ItemID:	Description:	Options:	Quantity:	UnitPrice:	Serial#:	
CMP0001	32 inch LCD		13	234		Delete Line

Add Line

4 Commit the change

Submit Change Cancel

check count now

The screenshot shows a web application interface for inventory management. On the left is a vertical navigation menu with blue buttons. The 'Current Inventory' button is highlighted with a white circle containing the number '1'. In the main content area, there is a table with four columns: 'Item ID', 'Item Name', 'On Hand', and 'Reorder Levels'. The first row of data shows 'CMP0001' as the Item ID, '32 inch LCD' as the Item Name, '23' as the On Hand count, and '10' as the Reorder Level. A red arrow points from a green callout box to the '23' in the 'On Hand' column. The callout box contains the text 'Note that count is 23 (10 + 13)'. A white circle with the number '2' is positioned above the callout box. In the top right corner, the text 'OnHand Inver' is displayed in red, and below it is a button labeled 'Update Report'. Further down on the right, the text 'Report Generated: 2014/07/1:' is visible.

Item ID	Item Name	On Hand	Reorder Levels
CMP0001	32 inch LCD	23	10
