

Purchase Order :: upcount inventory :: write Bill into QB

The screenshot shows a web application interface. At the top left, there is a button labeled "How Do I?" in red text, with a hand cursor icon pointing to it. Below this button is a vertical list of menu items, each in a blue box: Home, Current Inventory, Transaction History, Current Invoiceables, Purchase Order, PO List, Buy Direct, Receipts List, Sales or Work Order, SO List, Sell Direct, Ship List, and Add Inventory. To the right of the menu items, there is a main content area with the following text: "Welcome to anywhereERP3 (cMRP)!", "Please select an option from the menu at t", "Click on the 'How Do I?'" button at the left", "Just getting started? Try the 'Getting Starte", "You are currently logged into Company : de", "You are currently logged in as : demo", and "Click [HERE](#) to [change your password](#).". A red arrow points from the "How Do I?" button to the "Purchase Order" menu item.
